From the Principal's Desk

*My Dear Staff & Students,
Namaste.*

At the very outset, I would like to express my heartfelt gratitude to all my Honourable Trustees, my Colleagues and my students. Yes, you got it right. It has been a memorable six-year stint coupled with sweat and soil so far. The Journey with all your support commenced with the organization of the first **International Seminar** on Henry David Thoreau in Feb. 2018 and in a span of 21 months we successfully got back into the second cycle of **NAAC** (July 2019). However, very specifically I wish to put on record the outstanding and historical task of **Online teaching** which was executed with finesse and precision by **Team GMC** in 2020 and 2021 during the COVID period. Incidentally, Team-GMC successfully went on to host two more **International Seminars** on Mahatma Gandhi and Raj-Ratna Shreshthi Shri Nanjibhai Kalidas Mehta in Jan. 2020 & Dec. 2022 respectively and also published the seminar's proceedings in record time as per International standards.

Dear students, you are and have been the **heart and soul** of Gurukul Mahila College, and would continue to be its very **breath** till eternity. Our Team-GMC has been successful solely on account of your intellectual hunger and academic thirst. As we prepare for the third Cycle of NAAC, I am more than sure that your **discipline**, your **dedication** and your **determination** would take the institution to unsurpassed heights.

As we browse through the 12th Issue of **Gurukul Samachar Patrika**, do take care to peruse with *deep feeling and profound thought* for the Committee members have taken much pains to Collage all the Study-Circle and Saptadhara activities in keeping with the seven parameters of NAAC. I thank them for their commitment to the cause of methodical pictorial documentation.

Let's all pray to the almighty to bless GMC with a plenitude of grace to stand up to the needs of the Nation pictorial documentation.
