ગુરુકુલ પ્રણાલી એટલે, શિક્ષણ એ રાજચાત્રય નહીં પરંતુ ઋષિના આશ્રયે હોવું જોઈએ કે જેથી માનવનું સર્જન થઈ શકે.

VISION TO UPLIFT GIRLS FROM THEIR MOFUOSSIL, ALMOST ILLITERATE BACKGROUND AND TRAIN THEM SMARTLY ENOUGH TO MEET THE FAST APPROACHING CHALLENGES OF GLOBAL COMPETENCE

MISSION TIME-TESTED TRADITIONS + TIDE OF TALENT = MODERN INDIA

From the Principal's Desk

Dear all,
Namaste.

The future of Gurukul College lies in its providing a healthy blend of human values and academic capability. In addition, in contemporary times, every student needs to harness his god-given Skills/talents and the Institution has resolved to equip every student, irrespective of her faculty, with the proficiency and expertise needed to face the challenges of life and living.

As we move ahead with our preparations for NAAC, we need to understand that for qualitative growth we need to continuously strive and conform to the norms and standards of various regulating agencies, particularly the Education Department (Govt. of Gujarat), UGC and Bhakt Kavi Narsinh Mehta University. Yes, I do agree that the ambience, the environment along with the academic & curricular activities of the HEI, plays an important role for quality assurance, but primarily it is the **fixity of resolve** that really matters most. It was therefore felt that an awareness of the parameters of NAAC would drive home the message to all our stakeholders. Quintessentially, our core efforts centre on the following initiatives:

- C-I: Supplementing the curriculum with add-on/short-term/value-added courses
- C-II: Adopting an Innovative approach in Teaching-Learning and Evaluation with ICT
- C-III: Organising FDP; Seminars & workshops and promoting extension activities (NSS, YRC, SG, RM, VK, GVMP)
- C-IV: Computerization of the Library with easy access; Skill-development Centre; Availability of e-content
- C-V: Student support & Progression with various Student Development programmes (SDP) by IQAC; Celebration of all National festivals; Annual Parents-Alumni Interface Meets; Annual Programme
- C-VI: Decentralization by way of formulating 18 committees, Students' Council with CRs; fortnightly/monthly video-conferencing with the management.
- C-VII: Effective waste management; Green ambience; Best Practices – Study-circles & Saptadhara

Let us look at the broader implications of Quality Assessment and work towards pacing the learning of both the Advanced and slow learners. Let us join hands and march towards the eventual goal of growing into a University.

Jai Hind.
