DAR  
Economics  
Circle

Two individuals are seated at a long, dark wooden desk at the front of the room. On the left, a man with a beard and dark hair is looking towards the center. On the right, a woman with glasses and a patterned green top is looking towards the left. Several laptops and other items are on the desk.

A group of students is seated in rows of chairs, facing the front of the room. They are mostly seen from the back, wearing light-colored tops with orange or pink accents. The room is dimly lit, with the primary light source being the projection screen.
