Even during the Online academic schedule over 250 activities were conducted in the entire term. Since inception the Study-Circle (William Shakespeare Study-Circle, Shri Dhirendrabhai Mehta PG Study-Circle, Premchand Study-Circle, Premanand Study-Circle, Home-Science Study-Circle, Adam Smith Study-Circle, Chanakya Study-Circle) and Saptadhara (Geet-Sangeet-Nrutya-dhara, Natya-dhara, Sarjanatmak Abhivyakti dhara, Gyan dhara, Vyayam Khel-Kood-Yog dhara, Rang-Kala-Kaushalya dhara, Samudayik Seva dhara) Activities have been addressing issues that are interdisciplinary in nature. Students irrespective of their enrolled faculties actively participate in all the academic, curricular and co-curricular events of the institution. In fact, it would not be an exaggeration to say that both the Study-Circle activities and Saptadhara activities have contributed immensely in bringing forth the latent talents of the students. Furthermore three Departments of English, Hindi & Gujarati stand out in particular as they organize week-long multidisciplinary literary events titled as Literary fest, Hindi Pakhvada and *Matrubhasha Gaurav Saptah* (International Mother-Tongue Week) in which students perform and participate from every department/faculty.

16.Academic bank of credits (ABC):

During 2021-22 Online training was given to both the faculties and students to harness their ICT skills and participate in the Online Teaching-Learning process. In addition, Online Quizzes and various competitive activities were organised to test the multi-faceted skills of the students. Apart from these hands-on-training sessions, the students of GMC are offered as many as 09 add-on/skill-based courses to harness their latent talents/areas

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The institution has deep roots in the Indian Knowledge Systems. Since its inception in 1966, the Institution has been promoting the integration of IKS in our day-to-day curriculum. All the faculty members of the Institution are adept in Indian languages, Indian Culture and thought. Even during the Online phase our faculties spared no effort into reaching out to the students who were residing in the far-flung and remote sections of the district. The faculties were guided by the maha-mantra of REACHING OUT AGAINST ALL ODDS and therefore Online classes were sincerely executed as they should have been in the Offline mode. This in itself is a Value that defines the character of our Institution. Be it English, Hindi, Gujarati - our faculties ensured that the teaching of the languages did not suffer on account of the pandemic. All Online cultural events began with the chanting of Vedic hymns and mantras and students recorded their performances using cultural/traditional attires even from their homes.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Arya Kanya Vidyalaya Trust managed Gurukul Mahila Arts and Commerce College has been rooting for Outcome Based Education since its very inception. Over 30000 students have imbibed the spirit and thought of Indian Culture and Tradition in this organisation and are today placed in highly respectable positions all around the world. The yearning of Pujya Bapuji to prepare strong, committed and responsible students has found execution in the last eight decades. The Mahamantra of reaching

out to the remotest and far-flung unprivileged sections of the society, specifically the girls, has been in the process of realization 'here' and 'now'. In addition, since 2017, the Institution has been offering Add-on and Skill-based courses to ensure the holistic development of the student. The courses, among others, include Spoken English, English Proficiency Programme (EPP), Society for Creation of Opportunity through Proficiency in English (SCOPE), Hindi Grammar, Journalism, Organic Farming, Sewing Machine Operator, Data-Entry Operator, Beauty and Wellness, Pedicure and Manicure, Tally ERP-09, CCC, Music, Dance and Theatre Training. These courses have helped the students to perform better in their post-graduate programmes and there are many instances when many of our Alumni (following the completion of their PG programme) have come and donned the mantle of a teacher in their own department. There are also others who have excelled in competitive examinations on account of the strong based they received at Gurukul.

20.Distance education/online education:

The institution offers as many as six courses in the distance mode. The Institution is affiliated to Dr Babasaheb Ambedkar Open University, Ahmedabad and has been offering these courses in the distance mode since 2020. It is noteworthy to add that TEAM-GMC was fully geared up to reach out to all the students as it actually would have done in the Offline mode. In addition, as many as 250 curricular and co-curricular competitions and activities were also successfully conducted in the Online mode.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Yes, the institution has a strategic/perspective plan in place. The college continuously strives hard for ensuring quality improvement and upliftment of students through education. The objectives of the College are driven by felicitating Govt.-scholarship to the students, introducing short-term supplementary courses, introducing innovative teaching and learning resources through ICT and departmental evaluation. Internal committees conduct regular audit of academic activities for quality assurance. The academic programmes, co-curricular activities, sports & games activities, NSS, Saptadhara & Study-Circle etc., contribute to enhancing the quality in all academic and administrative activities. The responsibility of developing and monitoring of quality assurance is entrusted to the Internal Quality Assurance Cell (IQAC) of the college which maintains quality sustenance in the academic, administrative and other activities. However, two activities stand out i.e., the study-circle and saptadhara activity that is carried out every fortnight. An Academic calendar is chalked out before the previous term/month comes to a close and then when the new term/month commences the teaching staff ensures that every activity as stated in the calendar (department-wise) is executed with utmost sincerity. Finally during the Institute's Annual Programme the students who have participated outstandingly are felicitated with Gold-Medals/Awards/Shields by the Trustees for academic excellence. This integrated activity helps in shaping the students to not merely develop their latent talents and also adds to the development of the student's total personality.
