Observation of IQAC team for various work conducted within AKG

From: Samir Tejura (stejura@gmail.com)

Respected Sir,

We IQAC team had a privilege to visit and examine various projects & development work going on in Arya Kanya Gurukul on June 15, 2021. We were really very happy to see overall development of the campus as renovation & repairing work including Pest control & Water-proofing of ceiling was very much required to be done for a long time.

We have minutely observed the repairing & renovation work conducted at various places like Admin Quarters, Canal work at Raj-Wadi, Construction of cement tank for Rain Water harvesting, Wall repairing, Pest-control and Tiles fitting in I.T. Lab., Fencing work of Girls Hostel and Memorial Wall, extended facility of Lights, Fans, Cement Roof and other basic requirements in Raj-Wadi Gaushala. I am sure that "Maa-Nandi" will bless all. Then moving further pest-control work conducted in Prarthana Hall, Store room, Tara Mandir & Dell I.T. Lab. including Water-proofing done in College Hostel and School campus. All the work is properly completed and utmost care is taken, which will surely help us to maintain & preserve our heritage and of course students (our future generation) will also be more benefited out of these sincere efforts.

There is no doubt that the Planning as well as the work done under the monitoring of Dr. Anupam Nagar is up to the mark, but to make it better we would definitely like to give some more suggestions. They are as below:

1. Rain water harvesting Cement tank is ready but plumbing work is yet to be done before it starts raining, otherwise it may not serve the purpose. Hence, we request you to please get the necessary Plumbing work done as soon as possible as we already have P.V.C. Pipes, other materials, etc. readily available at our campus.
2. There is a beautiful plantation outside our campus where recently bricks were laid down which are a bit higher than road level and thereby they do not give any other use. However, if a proper slope is being made joining it to the ground level then we can utilize it for a Parking slot in future! As instance, we have planned a big event in near future i.e. January 2022.
3. Once we enter our Gurukul campus, a glorious & beautiful impressive image of RRSSNKM is created in our mind, as we have made necessary changes in our Campus and thereby we can say that now it is up-to-the-mark. However, as per our observation the road on which we can reach our Arya Gurukul campus or Tara Mandir or Bharat Mandir requires proper repairing and improvement. The condition of the road right now is very poor which, if made proper, will leave nothing to comment on any point that can give a bad impression in the mind of visitors.

Moreover, we know that for proper transportation and smooth travelling/ approach, it is a basic necessity for any infrastructure created. Thereby, we humbly request that a proper road must be constructed that will be suitable to our AKG campus. In our opinion, if a **Cement road** is built over there, it would be a permanent as well as long lasting solution for the same.

With this we end it here only and hope that management will positively consider our suggestions.

Thanking you.

Yours Faithfully,

--
