Porbandar - 360 579**Summary****SCOPE Course 2018-2019**

The SCOPE Course offered by the Society for Creation of Opportunities through Proficiency in English targeted individuals aged 15-25, aiming to enhance their proficiency in English language skills. The course focused on improving communication skills and all aspects of language learning including Listening, Speaking, Reading, and Writing (LSRW). A key highlight of the program was its certification partnership with Cambridge University, providing participants with recognized qualifications. The course also emphasized the enhancement of employment opportunities for its graduates. In **2018-2019**, the program saw participation from **219** individuals, demonstrating its strength and impact.

Summary

SCOPE Course 2019-2020

The SCOPE Course offered by the Society for Creation of Opportunities through Proficiency in English targeted individuals aged 15-25, aiming to enhance their proficiency in English language skills. The course focused on improving communication skills and all aspects of language learning including Listening, Speaking, Reading, and Writing (LSRW). A key highlight of the program was its certification partnership with Cambridge University, providing participants with recognized qualifications. The course also emphasized the enhancement of employment opportunities for its graduates. In 2019-2020, the program saw participation from 225 individuals, demonstrating its strength and impact.

Summary

SCOPE Course 2020-2021

The SCOPE Course offered by the Society for Creation of Opportunities through Proficiency in English targeted individuals aged 15-25, aiming to enhance their proficiency in English language skills. The course focused on improving communication skills and all aspects of language learning including Listening, Speaking, Reading, and Writing (LSRW). A key highlight of the program was its certification partnership with Cambridge University, providing participants with recognized qualifications. The course also emphasized the enhancement of employment opportunities for its graduates. In **2020-2021**, the program saw participation from **260** individuals, demonstrating its strength and impact.
