Organization of Journalism workshops**

A 15-day Journalism Workshop was organized from 6-12-2019 to 3-3-2020 by the Gujarati Department of Gurukul Mahila Arts and Commerce College managed by Rajaratna Shreshthi Sri Nanjibhai Kalidas Mehta Arya Kanya Vidyalaya Trust.

In this workshop Mr. Jiteshbhai Chauhan, editor of current paper 'Porbandar Khabar' provided services to the students as an expert in journalism.

As journalism is a field of boldness and impartiality, the commitment of the journalist is expected here. It is believed to be the religion of a journalist to convey accurate information to the readers without any bias. In today's modern and fast-paced era, long-winded news stories do not attract readers, and as a result, short but comprehensive news stories are more popular.

Jiteshbhai trained the students on how to present the news in a short and effective manner according to this need of the hour. Apart from this, he also gave a beautiful explanation of the finer features of news writing. Moreover, he also guided the students on how to make news headlines catchy.

This journalism workshop was organized by the principal of the college Dr. It was done by the Gujarati Department under the guidance of Anupambhai Nagar.
