Summary

Environmental Studies Course 2018-2019

In the academic year 2018-2019, the Environmental Studies course at Gurukul College engaged 103 students in various activities aimed at raising awareness about health, hygiene, and environmental conservation. Health and hygiene workshops were organized, specifically targeting the sisters of the students, to educate them on these important topics. Additionally, theoretical instruction on environmental subjects was provided, alongside practical guidance on environmental conservation throughout the year. At the culmination of the course, a comprehensive 100-mark examination was conducted, assessing students' understanding of the subject matter. Furthermore, a 50-mark MCQ exam was administered at the end of the workshop. Expert presentations and practical training were delivered by Dr. Ranawat Cement Factory representatives Milanbhai Vasavada, Ajaybhai Chavda, and Mr. Vipulbhai Gareja, enriching students' learning experience. Environment Coordinator Prof. Shobhanaben Vaia and Mr. Shubham Bhai Samant played instrumental roles in guiding and fostering environmental awareness among the students throughout the academic year.

Summary

Environmental Studies Course 2020-2021

In the academic year 2020-2021, the Environmental Studies course at Gurukul College engaged 154 students in various activities aimed at raising awareness about health, hygiene, and environmental conservation. Health and hygiene workshops were organized, specifically targeting the sisters of the students, to educate them on these important topics. Additionally, theoretical instruction on environmental subjects was provided, alongside practical guidance on environmental conservation throughout the year. At the culmination of the course, a comprehensive 100-mark examination was conducted, assessing students' understanding of the subject matter. Furthermore, a 50-mark MCQ exam was administered at the end of the workshop. Expert presentations and practical training were delivered by Dr. Rahawat Cement Factory representatives Milambhai Vasavada, Ajaybhai Chavda, and Mr. Vipulaben Gureja, enriching students' learning experience. Environment Coordinator Prof. Shobhanuben Vaia and Mr. Shubham Bhan Samant played instrumental roles in guiding and fostering environmental awareness among the students throughout the academic year.

Summary

Environmental Studies Course 2022-2023

In the academic year 2022-2023, the Environmental Studies course at Gurukul College engaged 248 students in various activities aimed at raising awareness about health, hygiene, and environmental conservation. Health and hygiene workshops were organized, specifically targeting the sisters of the students, to educate them on these important topics. Additionally, theoretical instruction on environmental subjects was provided, alongside practical guidance on environmental conservation throughout the year. At the culmination of the course, a comprehensive 100-mark examination was conducted, assessing students' understanding of the subject matter. Furthermore, a 50-mark MCQ exam was administered at the end of the workshop. Expert presentations and practical training were delivered by Dr. Rahawar Cement Factory representatives Milambhai Vasavada, Ajaybhai Chavda, and Mr. Vipulaben Gureja, enriching students' learning experience. Environment Coordinator Prof. Shobhanuben Vaia and Mr. Shubham Bhan Sarnani played instrumental roles in guiding and fostering environmental awareness among the students throughout the academic year.

Prof. Shobhanuben Vaia
Environment Coordinator

SUMMARY**ENVIRONMENTAL COURSE**

At Gurukul Mahila Arts and Commerce College, Porbandar, environmental studies are a key focus under the University Grants Commission (UGC) curriculum. With a total of 251 students enrolled, the college is dedicated to addressing environmental issues to achieve the motto of "Clean Gurukul, Green Gurukul." Under the guidance of College Principal Dr. Anupambhai Nagar, an eco-club has been established, spearheaded by the subject coordinator, Mr. Shobharaben Vala, and Mr. Shubham Bhaji Samant. Through various activities organized by the eco club, students gain a deeper understanding of environmental issues and contribute to raising awareness. The college campus hosts a variety of trees, reflecting its commitment to environmental conservation. Efforts are ongoing to familiarize students with and encourage the implementation of the 3 R's: Reduce, Reuse, Recycle, fostering a culture of sustainability among the student body.
