Green Campus

Managed by Arya Kanya Vidyalaya Trust

Gurukul Mahila Arts and Commerce College

At & Post : Tapobhumi, Arya Kanya Gurukul Campus, Jubilee, Bokhira Vistaar,

PORBANDAR- 360579 GUJ INDIA

Re-Accredited 'B' (CGPA 2.38) by NAAC

Phone : +91 286 2245561|+91 9374129126

Environmental Policy

1. All round efforts by the students & staff are made to preserve the green-ambience of the College campus.
2. An Eco-Club has been established in the year 2017-18. All the faculty members and students are expected to comply with the rules and regulations regarding maintaining a green-ambience in the college premises.
3. An Awareness Course in Environmental Studies is offered to the First year students every year along with supplementary workshops in Environment & Nursing and Environment & History. At the end of the term examinations are conducted and certification is provided by the Institute.
4. Information related to Cleanliness and Health is percolated to the students through various platforms such as Morning Assembly, NSS, Community Service Society and personal counselling.
5. Motivation and guidance is provided by the faculty members to the students to properly care & nurture every tree planted on the campus.
6. Use of plastics is strictly prohibited in the campus.
7. Environmental friendly Canteen facility is provided to provide healthy and hygienic fresh breakfast every day.
8. Due care is taken to clean the washrooms on a daily basis.
9. Cleanliness drives would be undertaken every fortnight/monthly basis.
10. Annual plantation drives would be conducted in the College campus.

Energy Saving Policy

1. Students are trained to save electricity.
2. NSS and NCC units are guided to develop an environment of how to use minimum electricity in the campus.
3. There is a habit developed among the teachers and students to switch off electricity when they leave the class or laboratory.
4. The solar facility is utilized.
5. Outdoor games have been given priority to save electricity.
6. The peons also check every class during recess and the completion of lectures so that there is no waste of electricity.
7. The students are encouraged to use minimum electricity at home.
8. During NSS special camp, the volunteers are motivated to spread awareness of save electricity through door to door campaign at the adopted village
9. We also use and advise to apply power saver equipment in homes.
10. Solar-Roof-top panels have been installed to conserve electricity.
