ARTS & COMMERCE COLLEGE

Empowering girls since  
1966

Day & Boarding  
College for Girls

Department of  
Arts & Commerce

# INTRODUCTION

## *Where Culture meets Education*

Gurukul Mahila Arts & Commerce College (GMC) is dedicated to the holistic development of students, supported by a highly experienced teaching staff and enriched with 23 add-on courses.

We employ audio-visual presentations to spark interest in learning, and our 20-acre green campus is ideal for sports and outdoor activities.

Facilities include a well-equipped language lab, computer lab, three home science labs, and 16 classrooms.

We achieve a 91-95% academic success rate across all departments.

# INTEGRAL EDUCATION ACTIVITIES

Every year Gurukul Mahila College hosts over 810 undergraduate, postgraduate, professional and research students, across three University programmes -

- Bhakta Kavi Narsinh Mehta University
- NSQF
- Dr. Babasaheb Ambedkar Open University

- *Devotional Dimension*
- *Cultural Dimension*
- *Physical Dimension*
- *Service Dimension*
- *Intellectual Dimension*

# CO-CURRICULAR

Educational tours, industrial visits, and market surveys enhance practical understanding, while activity-based learning through Study Circle and Dhara Activities fosters engagement. International seminars and an incubation center promote research and innovation.

Gurukuliyam, our management fest, allows students to apply management, trade, and business concepts practically. With over 22 MoUs with NGOs and industrial partners, we offer hands-on learning opportunities, along with internships and placement programs.

Expert lectures, group discussions, debates, workshops, quizzes, and webinars are integral to sharpening our students' skills.
