Feedback from Stakeholders on Curriculum

Internal Quality Assurance Cell makes it a tradition to mandatorily collect feedback from stakeholders- students, teachers, employers and alumni. This is done by the Feedback Committee. They collect and analyze the feedback received and make suggestions to appropriate bodies so as to initiate the action for improvement.

Objective:

The objective of the exercise is to correctly analyze the impact of the efforts made by the institution on various stakeholders. The institution is keen to reach-out all the stakeholders. Accordingly, feedback forms are created, collected and analysed. Based on the suggestions of the stakeholders, further action is taken by the administration.

Methodology:

- Feedback on curriculum is collected from the students by sharing Google Feedback Forms via GMC-official whatsapp chat groups. It is submitted online and analysed by the Criterion Head. Eventually all suggestions are incorporated by departments and all concerned.
- Alumni & Parents' Feedback is collected during Annual Alumni-Parents' Interface meets. Feedback is collected by teachers as well by sharing Google Feedback Forms via GMC-official whatsapp chat groups. All necessary action is accordingly addressed.
- Employers' Feedback is also collected by sharing Google Feedback Forms via GMC-official whatsapp chat groups.
- The teachers or peers also give their feedback by sharing Google Feedback Forms via GMC-official whatsapp chat groups.
- The Criterion Head collects inputs and suggestions from the stakeholders and further action to be taken is discussed with departments and authorities. The decisions taken by the authorities are forwarded for action to be initiated.

Analysis:

- The data get compiled and analyzed by the Criterion Head. It then goes for deliberation to the IQAC.
- Annual Feedback Action Taken Report is submitted after analysis of stakeholders' feedback.

- Meetings are held at the department level and Management to discuss the suggestions and trends and feasibility of implementing the suggestions in the feedback.
- To make curriculum more effective, Add-On/Short-term/NSQF Courses have been initiated and conducted since 2018.
- Canteen facility has been provided since 2018.
- Internet facility with high bandwidth has been provided since 2018 and Campus wi-fi since 2023-24.
