Faculty and Student Development Programs Organized Under the Research Committee at Gurukul Women's College

For decades, Gurukul Women's Arts and Commerce College has illuminated the path of knowledge with its dedication to education. Under the guidance and inspiration of Principal Dr. Anupam Nagar, the Research Committee organized Faculty Development and Student Development Programs. As experts, Associate Professor Dr. Manish Raval from S.D.R.B. Women's Home Science, and Associate Professor Dr. Ashish Gorwadia from K.K. Parekh Commerce College attended the events.

On the first day, both programs began with a prayer. Dr. Ketaki Pandya, Chairperson of the Research Committee, welcomed everyone verbally, followed by a traditional welcome of the guests by the college's Vice Principal, Prof. Rohini Jadia. The Student Development Program (SDP) then began with a warm welcome extended to the guests by Ms. Raji Parmar.

The theme for the first day of the Student Development Program was 'Adoption of Changes', where Dr. Manish Raval provided valuable information through a PowerPoint presentation. The Faculty Development Program's theme was 'Know Your Self', and Dr. Ashish Gorwadia guided faculty members through various activities. At the end of the SDP, thanks were expressed by Ms. Bhavisha Kagda, while Dr. Nayan Tank from the English Department expressed thanks for the FDP.

On the second day, the SDP's theme was 'Skills Development'. Ms. Janvi Kanjariya welcomed participants, followed by Dr. Ashish Gorwadia, who shared insights on skill development through innovative educational games. Ms. Rekha Bhutiya gave thanks for the SDP. The theme for the FDP was 'Research Methodology', with the welcome address given by Prof. Rohini Jadia. Dr. Manish Raval elaborated on developing a research attitude using the film 'Bridge to Terabithia'. Thanks were given by Prof. Shobhana Vala from the Home Science Department.

The third day's themes were 'Creative Thinking' for both SDP and FDP. Dr. Jayesh Bhatt from the Computer Science Department and Ms. Manju Shamla welcomed the participants. Dr. Manish Raval led an activity where a creative story was developed from a picture. All teachers acted as mentors, and students formed teams. The activities aimed to teach students analysis, observation, imagination, and emotional attitudes and skills. At the end, winners of both programs were awarded mementos by the experts. The closing session began with a prayer, followed by verbal greetings from Dr. Ketaki Pandya, Head of the Research Committee and English Department. Principal Dr. Nagar welcomed the guests with warm clothing and mementos. Dr. Nayan Tank provided feedback on behalf of the faculty, while Ms. Raji Parmar and Ms. Shanti Modhwadia offered feedback on behalf of the students. The session concluded with thanks from Research Committee member Ms. Parul Shukla. The event was successfully managed by Research Committee member Ms. Aditi Dave. The success of the program was due to the efforts of the college's Vice Principal Prof. Rohini Jadia, Research Committee Head Dr. Ketaki Pandya, members Ms. Aditi Dave, Ms. Parul Shukla, Dr. Arfat Saiyed, and student representatives Ms. Raji Parmar, Ms. Khushi Joshi, Ms. Shweta Bhogayata, Ms. Bhavisha Kagda, Ms. Shanti Modhwadia, and Ms. Jansi Hodar.

Dr./Mr./Ms. Dr. Namrata J. Samani
has successfully participated in the **Faculty Development Programme-2024**, themed '*Change the Lens, Change the Life*'. The program focused on understanding the profound impact of perspective on personal development, professional growth, and family relations. The participant explored how changing one's perspective can enhance both their own life and the lives of their students. They engaged in interactive sessions, learned from real-life stories of teachers, and gained valuable insights from experts. This experience enriched their teaching approach and promoted a transformative educational environment.
