

## Service Level Objectives (SLO)

---

- To develop the inherent academic potential of the students.
- To promote career opportunities and employability for students.
- To inculcate self-reliance among students coming from rural and weaker sections of society.
- To promote and preserve Vedic traditions in alignment with the cultural philosophy of the Arya Kanya Gurukul Trust.
- To create socially responsible, disciplined, and value-oriented citizens.
- To provide a harmonious blend of Eastern and Western value systems within the educational ambience of AKVT.
- To encourage holistic development through academic excellence, cultural engagement, and moral education.
- To strengthen institutional linkages with industries, alumni, and community bodies for student growth.
- To ensure inclusive education by offering scholarships, fee concessions, and flexible learning opportunities.
- To enhance visibility and institutional reputation through innovative programmes and effective outreach.
